

# Nature Checklist!

Find an **INSECT** and watch what it is doing

A colorful butterfly with orange, black, and white wings, perched on a green stem.

Find a pretty **flower** and take a picture

A red tulip-like flower with green leaves on a stem.

Build a den with **STICKS**

Can you find a stream?

A simple illustration of a blue stream flowing between green hills.

Close your eyes and listen; identify as many sounds as you can

A small blue bird perched on a branch with musical notes floating around it.

How many different types of smells can you sense?

A sprig of green leaves with small purple flowers.

Count how many dogs you see on your walk

A trail of brown paw prints leading across the bottom of the box.

Find a smooth rock

A collection of smooth, light-colored rocks of various sizes.

Sketch what you see

An artist's palette with various colors and a paintbrush, next to a black silhouette of a bird in flight.

Climb a tree

A green tree with a brown trunk and many small white flowers or leaves.

Skip stones across a pond

A small pond with green grass, rocks, and a white lily flower.

Feed the ducks

A mother duck with a white body and orange beak, followed by four small yellow ducklings.

Make bark rubbings with crayons

A close-up illustration of rough, textured tree bark.

Make leaf art on the ground

A collection of green leaves and ferns scattered on a light-colored ground.
